- ✓ Allow **visitors** to register for short-term parking using a QR code or tablet
- ✓ Enable businesses to self-manage their **employee** permit list
- ✓ Convert to a **fully digital** and decal-less environment

### Supporting all employee and visitor use cases

Offstreet's flexible rules engine can accommodate each business's unique parking rules. Limit employee permits to a set number of stalls, limit visitors to 1 complimentary hour per day, and more!
