

PARKING VALIDATION SOFTWARE

The easiest solution for hotels to validate and manage their guest parking. Register guests in just a few steps:

Create Registration

Location	Marriott Hotel
Tenant	Guest Parking
Registration Settings	Guest Parking - Paid
License Plate	399JRA
State / Province	British Columbia
Start Date / Time	February 24, 2023 3:00 PM
Expiry Date / Time	February 27, 2023 11:00 AM
Additional Info	
Guest Name (Optional)	Lisa Smith
Room Number (Optional)	111
<input type="button" value="Create"/>	

- 1 Enter **license plate number & state/prov**
- 2 Select the **check out day** - the parking rate will automatically calculate
- 3 Enter **guest name and room number** to easily manage the registration
- 4 Click **Create** - data sends to enforcement in real time

EASY REPORTING

Access a list of active vehicles, search for specific vehicles, and run reports for a desired time period. You can also edit registrations to **extend/shorten guest stays**.

Active Vehicles

Location: Marriott Hotel

Tenant: Guest Parking

Settings: Include Permits, Include Void, Include Expired, Include Upcoming

Search by Plate

Plate	Status	Start	Expiry	Type
545MTB British Columbia	ACTIVE	Dec 4, 2022 9:00 AM	Dec 8, 2022 11:00 AM	Registration
245ITS British Columbia	ACTIVE	Dec 4, 2022 9:00 AM	Dec 6, 2022 11:00 AM	Registration
399JRA British Columbia	ACTIVE	Dec 3, 2022 9:00 AM	Dec 6, 2022 11:00 AM	Registration

Items per page: 25 1 - 3 of 3

Create **user accounts** for staff members and access a full **audit log** to see exactly what changes were made, when, and by who.
