

EVENT PARKING MANAGEMENT

The easiest solution for universities to manage their complimentary event parking. Send guests a secure link to register for parking in advance, or allow guests to register on site in real time.

- 1 Create an event in the Offstreet dashboard
- 2 Generate event specific registration link
- 3 Email link to event attendees
- 4 Guests can register their plate in advance or upon arrival

✓ **Seamless guest registration experience** - No app to download, user account to create, or payment information required

✓ **Clear parking instructions** - Google Maps integration and custom driver instructions on registration page and receipt
